# 1963

As the annual publication of Muhlenberg College, the *Ciarla* provides a vantage point from which we can reflect upon the past as well as envision the future of our college. It serves as a stage, set for pleasant indulgence in some nostalgic memories. It serves also as the agent through which are brought to the fore, each in its proper perspective, the events of an entire academic year, for both praise and criticism.

If it is leafed through as just a picture magazine, then the import of its content, sadly, has been lost. For the subject matter and photographic coverage contained herein have not been chosen to fill the allotted space of two hundred odd pages, but rather, they are the product of an unwritten philosophy from which the editors have assembled the *Ciarla* you see before you. We are now being accorded the sacred opportunity "to see ourselves as others see us." This, then, is a candid and frank portrayal of the one hundred and fifteenth academic year of Muhlenberg College.

## A DEDICATION IN MEMORIAM: DR. GEORGE H. BRANDES

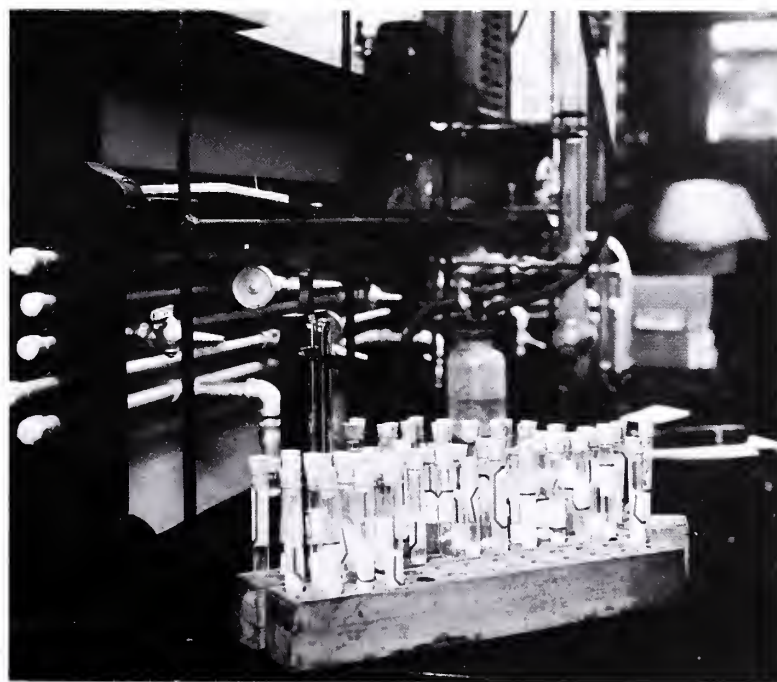

It is often an irksome mark of our time that we come to acknowledge the good in men only after they have departed from our midst. Indeed, on this occasion we are saddened that we are unable to take exception. We find ourselves paying belated homage to a man who deserved an enthusiastic ovation in life, rather than a solemn tribute in death. It is, therefore, with sincere regrets that the *Ciarla* pays its deepest respect to Dr. George H. Brandes in the form of a dedication to his memory and to his honor.

Dr. Brandes willfully devoted the greater part of his productive lifetime to our college and to the many hundreds of students who passed under his tutelage. His loss is forever; and a mere flourish of words cannot enhance his record of altruistic devotion to the college he loved and served so unselfishly. Let this meager tribute then, suffice to convey our remorse. Dr. Brandes' sincerity and high ideals have borne fruit; and we, the benefactors of his guidance, shall not let it pass unnoticed and never let it be forgotten.

The photographs of Dr. Brandes on these two pages are the most recent known. They were taken just three short weeks prior to the professor's untimely death.

"He has achieved success who has lived well, laughed often and loved much; who has gained the respect of intelligent men and the love of little children; who has filled his niche and accomplished his task; who has left the world better than he found it, whether by an improved poppy, a perfect poem, or a rescued soul; who has never lacked appreciation of earth's beauty or failed to express it; who has looked for the best in others and given the best he had; whose life was an inspiration; whose memory is a benediction."

# MUHLENBERG COLLEGE ADMINISTRATION

President Erling N. Jensen and Dean Thad N. Marsh in academic robes.

Trexler Room of Seeger's Union

President Jensen

Dean Marsh

ERLING N. JENSEN, PHD.  
PRESIDENT OF THE COLLEGE

During the academic year 1962-1963 many innovations were undertaken for the purpose of improving the program of Muhlenberg College, academically and socially.

Although the indications are that the honor system, in operation for two years, is working reasonably well, considerable progress must be made before we can be assured of a really effective honor system.

The J. Conrad Seegers Union was opened on January 27, 1963, and dedication ceremonies were held on February 8. The entire college community had eagerly anticipated the opportunity to make use of this fine building, which has already contributed much more than anyone had really expected to the total program of the college. The possibilities of this facility are indeed tremendous.

The student body initiated the idea and raised the money to sponsor an Ethiopian student at Muhlenberg. The student was enthusiastically received on his arrival in May. We hope he will have an enjoyable and beneficial stay with us.

The revised and improved chapel-assembly program will go into effect in the fall of 1963.

During this academic year, faculty and student research received considerable impetus through a budget item, and

through grants from outside sources, so that it was impossible for faculty members and students in all divisions of the college to participate in research. The faculty curriculum committee has been at work studying possible revisions of the curriculum, graduation requirements, and an honors program for the junior and senior year. The long range planning committee has continued to meet. Both of these committees will complete their work next year.

As the academic year drew to a close, we were able to announce a very substantial gift to the college, for the purpose of helping to provide an addition to Prosser Hall.

These are some of the highlights of the 1962-1963 academic year. Each member of the Class of 1963 will have many other memories. As you leave Muhlenberg College and start your life work, or continue your studies at another institution of higher education, I want to extend to each one of you my best wishes for success and happiness. I am sure that as time goes by, your years at Muhlenberg College will become more meaningful. May your pride in Muhlenberg, and your support of the college, continue to grow.

## STUDENT COUNCIL

In its attempt to serve as a vehicle of student interest and expression, the Student Council continued in the fine tradition of representative councils before it in concerning itself with the welfare of the Student Body. The 1962-63 session of Student Government produced many new programs. In addition to the crucial fiscal reforms enacted, the Student Council reorganized the Student Court, formulated a new Social Code, and defined certain vague social regulations. In addition, the representatives on the Council initiated the evaluation of the Honor Code and successfully lobbied for an extension of the library stack hours. The highlight of the year's activities was the evening when 4500 persons roared their approval of the concert performed by Peter, Paul and Mary and sponsored by the Student Council.

Beyond these immediate successes, the long range purpose of Student Government remained to engender among the students a sense of social responsibility and to provide an education in democratic self-government.

# STUDENT SUPREME COURT

The Muhlenberg Student Court is the highest student judicial body on the campus and, as such, has jurisdiction over all cases appealed to it from any of the lower judiciary bodies on campus, or referred directly to it by a faculty member or student. The hearings of the court, presided over by the President, are tape-recorded and these tapes are preserved for future reference in arriving at decisions on similar cases. The court hears all cases involving infractions of both the academic and social codes of the college, and submits its recommendations to the Dean of the Faculty, in the case of an academic infraction, or to the Dean of Students in social offenses.

The court consists of nine students—four seniors, three juniors, and two sophomores, who are chosen by Student Council upon consideration of recommendations from O.D.K. and the Women's Honor Society. Justices must be approved by the faculty and administration and hold office during good conduct.

## MEN'S DORMITORY COUNCIL

William Stoudt, Kenneth Arndt, Howard Marsh, Richard Weisenbach, *Treasurer*; Richard Jacobs, *President*; Frederick Eck, *Secretary*; Jacob Klein, Ronald Barlok, Thomas Yocom, Charles Gills. *Missing*: David Phillips, James Yost, *Corresponding Secretary*.

Consisting of twelve male residents, the Men's Dormitory Council has as its primary objective the maintenance of a just and uniform study atmosphere within the dormitories. To this end, the councilmen are responsible for enforcing all dormitory regulations as they appear in the College Publications. Infractions of any of the above standards can result in disciplinary measures by the Council. The organization also believes that it should aid the student in areas other than study conditions and subsequently highlighted the 1962-63 academic year with the awarding of the first Council sponsored scholarship, in honor of H. A. "Haps" Benfer.

## WOMEN'S COUNCIL

*Seated*: Leslie Scarborough, Judith Albright, Priscilla Schlenker, *Secretary*; Karen Herring, *Vice-President*; Sandra Shupe, *President*; Maimu Annus, *Treasurer*; Joan Middlemast, RoseAnn Gill, Margaret Ward. *Standing*: Barbara Herbein, Margaret MacDonald, Rachelle Cinque, Florence Kahmar, Kathryn Stauffer, Diane Donaldson, Marjorie Kleintop.

The Women's Council, the organization of women students of Muhlenberg College, consists of four officers, two dormitory presidents, one representative from each floor in Brown Hall and Prosser Hall, two commuter representatives, two freshmen representatives, and one representative from Bernheim House. Its primary purposes are to promote high standards of honor in all matters of conduct and to provide and administer rules for group living.

This year's council succeeded in revising the disciplinary system, in initiating an open house on designated Sundays, and in developing a new signout system. Activities sponsored by this organization included several informal dances, the annual Christmas Party, and the Spring Sing.

*Seated:* Carol Riegel, Betsy Hawman, John Gilhorn, Gary Luckman, Carol Smullen, Sidney Weikert, *Chairman:* Nancy Weltz, Ellen Cook, Robert Brown, Sandra Haas, Jeanne Lippman. *Standing:* John Turoczi, Thomas Mendham, Robert Mackay, Ronald Banner, Jacob Klein, George Balmer, John Rosenberg, Richard Benveniste, Raymond Sprow, Kenneth Sweder, Ralph Ardolino.

## FRESHMAN ORIENTATION COMMITTEE

The Freshman Orientation program underwent several major changes this year in connection with its increased emphasis upon the educating of the freshmen to the demands and experiences of the many phases of college life. Two of the more significant additions were: (1) the establishment of a separate disciplinary committee, which enabled the twenty-two student advisors to be free to fulfill completely their duties as advisors; and (2) the initiation of weekly assemblies for the entire freshman class, during which the various campus activities and clubs staged active presentations of their functions.

# OMICRON DELTA KAPPA

Omicron Delta Kappa, men's leadership society, completed a successful year. The society admits Juniors and Seniors to membership after they have demonstrated outstanding qualities of leadership and maturity in the general areas of scholarship, dramatics, music, athletics, journalism, and student government.

Members of the society were instrumental in bringing an African refugee from Bulgaria to study at Muhlenberg College, and the annual Spring Carnival raised over \$400 in scholarship funds for the student. The funds from the previous carnival were allocated to special library purchases which will greatly add to the versatility of the library.

## LAMBDA EPSILON DELTA

Lambda Epsilon Delta was established three years ago for the purpose of honoring those junior and senior women who have made outstanding contributions to Muhlenberg College in the areas of scholarship and service, or social activities. This year the society held a coffee hour on Homecoming Weekend for former members, and sponsored a bus trip to a production of *Lucia Di Lammermoor* by the Philadelphia Opera Society. The society also interviewed prospective Student Court candidates and participated in the formulation of a pole to determine the success of the Honor Code of the college.

## CARDINAL KEY SOCIETY

Since its founding in May of 1940, the Cardinal Key Society has continued in its tradition of service to the college and community. During the past twenty-three years, the Society has grown in size, performed its services, and assumed new responsibilities, keeping in mind its basic objective: "That the undergraduate student should grant prestige to service."

During the past year, the Society has provided for an enlargement of its membership in order to execute increased requests for the Society's services. In addition to guiding guests and prospective students on tours of the campus, the Cardinal Key Society ushers for all major college sporting events, concert series, plays, civic attractions, and community functions. Through all activities of the organization, Cardinal Key men strive to serve Muhlenberg in every way possible to further a favorable impression with all who visit and with all who are associated with Muhlenberg College.

## ALPHA PHI OMEGA

Alpha Phi Omega is a national service fraternity composed of college and university men who are or have been affiliated with the Boy Scouts of America. The purpose of this organization is to develop friendship and promote service to humanity. Active since 1958, Alpha Phi Omega received its National Charter in 1962.

The organization ushers at Mopsy Day and Boy Scout Day, and helps at various functions held in the Seegers Union. It also conducts an annual "Ugly Man Contest." Community and national services include donations and aid to several charitable organizations such as CARE and the March of Dimes. Through these services, Alpha Phi Omega serves the college and the community.

## DELTA PHI NU

Established as a woman's social service sorority, Delta Phi Nu provides aid in college functions such as teas, dances, and receptions; and provides service for the community and its charitable organizations. This year, the sorority worked extensively with the Good Shepherd Home and Allentown Hospital.

Delta Phi Nu is open to any girl, after her freshman year, who possesses commendable academic and social standing, proven qualities of capability, and a willingness to strive unselfishly for the improvement of the college and community. Prospective members are expected to serve in a specified percentage of activities in order to become eligible for initiation at the end of a semester of "pledging." Because of the recent growth in membership, Delta Phi Nu has been able to provide frequent and more effective aid to the college and community.

## COMMUTERS CLUB

The purpose of the Commuter's Club is to integrate the Muhlenberg community and the day student. This organization acts as a consolidating factor for Muhlenberg's commuting students by bringing them together on common ground and by acting as the representative organization for these students on campus. Besides its participation in intramural sports this year, the Commuter's Club sponsored an August get-acquainted picnic for all incoming Freshmen and Upperclassmen.

## PUBLICATIONS BOARD OF DIRECTORS

The publications board is a liaison group among the student publications, receiving allotments from the Student Publications Fund and the Student Council. The board serves as the coordinator concerning the functions of the various publications, establishing a linkage of cooperation both in editorial and financial matters between them and improving the excellence of their management.

The publications board consists of the editors-in-chief of the publications. The associate members are business managers of the publications and manager of WMUH radio.

James Monaco, *Editor-in-Chief*.

## MUHLENBERG WEEKLY

The *Weekly* ended its eightieth year of continuous publication in June. This anniversary year marked many renovations. The format of the paper and the organization of the staff were changed to modernize and increase efficiency.

Through the *Weekly*, Muhlenberg students have voiced controversial opinions on chapel policy, Dormitory renovation, general academic regulations, and administrative efficiency. Several of these "campaigns" resulted in success. The newspaper received several awards for journalistic excellence from national organizations. It also met with opposition to some of its opinions. However, the editors have expressed their feeling that this diversity of opinion is a sign of a healthy intellectual environment.

## M—BOOK

The *M-Book*, a supplement to the college catalogue, is distributed to all freshmen as a special aid in orientation. It provides information on the extra-curricular activities and the social regulations of the college and contains the Student Council constitution, a synopsis of activities of each campus organization, a faculty directory, the complete schedule of athletic competition, and a calendar of special events. Also included is a special section containing the complete academic regulations.

This was the third year that the *M-Book* supervised the publication of a Student Directory, which included the names, school and home addresses of all students.

Robert K. Bohm, *Editor-in-Chief*.

# WMUH

Silenced temporarily.

WMUH is a student operated radio station located in the Seegers Union. It broadcasts campus-wide with varied programming ranging from Jazz to German language shows. The second semester of this year, WMUH was not operating due to the moving of equipment from its old location in the library basement. WMUH will, however, resume broadcasting on a full schedule in the fall, when it will also be readying an educational FM station in addition to regular programming.

## CREATIVE ARTS WORKSHOP

The Creative Arts Workshop was reorganized this past spring. Meetings were held in seminar form at intervals of two weeks. Some meetings were devoted entirely to student poetry; the poet read his works and discussion and criticism followed. Other meetings featured speakers and discussion. Some of the outstanding speakers include: Mr. S. Kunitz, Dr. J. Stamm and Mr. F. J. Bernhard.

This fall the Creative Arts Workshop hopes to achieve greater effectiveness through better coordination with the Arcade and through the scheduling of several extra readings. Response was good this spring, thus increasing the likelihood for more frequent meetings in the future.

*Student Members:* Allen Weiss, Joel Glass, David Gaskill, Jeri Snyder, Shirley Kistler, Susan Tisica, Robert Shay, James McKenna, James Iobst, Thomas James, George Piverts, Patrick Walsh, Richard Geller, *Chairman;* Jeanette Geire, Ernestine Eger. *Participating Faculty Members:* Dr. Harold Stenger, Dr. Janet Stamm, Dr. J. Gysbert Bouma, Mr. Dudding, Mr. Bernhard.

Dr. Stamm lectures to an absorbed audience.

## PI DELTA EPSILON

63

Muhlenberg's youngest honorary fraternity, Pi Delta Epsilon, serves to honor those who make outstanding contributions in campus journalism, and to promote cooperation among the various campus publications. During the 1962-63 academic year, the fraternity supervised the publishing of the Academic and Activities Calendar, sponsored a booth in the ODK carnival, conducted the annual freshman termpaper contest, and held a journalism workshop.

## MUHLENBERG EXPERIMENTAL THEATER

The eternity of a play often plunges to the depths of tragedy, and then strides rapidly again to the dizzy reaches of high and meaningful comedy. But magic does not merely flow from grease paint and spot lights. Behind the curtain and weeks before the performance, minds are working in new and exciting creative patterns that soon blossom into the expressive medium of modern playwrights. Through the searching pens of Albee, Goodman, Beckett, Ionesco, Brecht, MacLeish, and Lorca, the Muhlenberg Experimental Theatre becomes a dramatic sermon of new ideas, growing conflicts, and passing beauty.

MET, founded in 1960 by Dr. William L. Kinter, is the outgrowth of a desire for a campus theatrical group which is acted, produced, and directed solely by students, and which experiments with contemporary drama and new theatre mediums. In the past three years MET has presented sixteen plays on campus and has introduced its theatrical genius to colleges, high schools, civic groups, and television stations throughout the Middle-Atlantic states.

The play is played out. The audience has all gone home to bed. MET has satisfied the efforts and desires of its generation.

## MASK & DAGGER

The Mask and Dagger Society is Muhlenberg's traditional dramatic society. Its interests lie primarily in the academic theater; in providing a large number of students with the opportunity to participate in all phases of theatrical experience. Two plays, chosen on the basis of their literary merit and their entertainment value, are presented each year under the direction of Dr. Andrew Erskine. This year's two productions, *Visit to a Small Planet*, by Gore Vidal, and *The Importance of Being Earnest*, by Oscar Wilde, received favorable reviews by both the critics and the audience.

## POLITICAL SCIENCE CONFERENCE

The Political Science Conference was founded this semester for the purpose of promoting the extra-curricular considerations of the various aspects and applications of political science.

The first program of the semester dealt with the Penna. Committee for Constitutional Revision. Representatives of the Committee discussed the general anachronistic nature of state constitutions and their own proposals for revision. The next program featured the Yugoslav delegate to the U.N. who enlightened those in attendance, through a heated question and answer period as to the controversial position of Yugoslavia in the cold war. The third offering featured a professional lobbyist who explained the role of the lobby in contemporary government. Finally, the Conference sponsored a debate on the compulsory chapel system, attended by 200 members of the college community. The debate was hailed as a successful and precedent setting method of bringing campus problems to the fore for responsible consideration.

## PHI ALPHA THETA

Phi Alpha Theta, honorary history fraternity of Muhlenberg College, is a select organization composed primarily of outstanding students majoring in the field of history and political science, in addition to those students who have shown a superior understanding of history and high academic scholarship in their advanced studies. The organization attempts to promote a close student-faculty relationship with the members of the history department in order to discuss current issues and problems. In addition it works in affiliation with historiography course, which this year has taken the first definite steps towards the realization of a history of Muhlenberg College. Meeting the first Monday of every month, the fraternity's April meeting was held at the Swain Country Day School and consisted of a panel discussion dealing with the topic of "Education in Foreign Countries."

## SOCIOLOGICAL SOCIETY

The Muhlenberg Sociological Society sponsored a program closely integrated with the sociology courses offered. Activities have consisted of lively discussions and films on current social problems, talks on various social agencies, and an exciting and informative trip to New York City which included Chinatown, a housing project, the Henry Street Settlement, dinner, and a show. The highlight of the year was a banquet, attended by one hundred and thirty, honoring Dr. Morris Greth for his many years of fine service to Muhlenberg and the field of Sociology in general.

Last year's Business and Economics Club was reorganized into the Society for the Advancement of Management, University Division, for the purpose of affiliating ourselves with the national organization. With the help of Dr. Richards and several advisors from the Lehigh Valley Chapter of S.A.M., the officers of S.A.M. expanded the organization's activities and membership to get off to a very successful start in its first year of existence. This year, aside from the monthly meetings with the Lehigh Valley Chapter of S.A.M., our activities included a number of lectures and three field trips. The highlight of the year was the trip to the Federal Reserve Bank in Philadelphia.

Jessie Renninger, Rev. A. Ziedonis, Mr. Ludwig Lenel, Mrs. Alice Tallmadge.

In order to encourage love and study of the Greek and Roman tradition in which modern western culture is rooted, Eta Sigma Phi sponsored four programs this year, both for its own members, who have proven their skill with Latin or Greek, and for other interested students.

Dr. Feaver of Lehigh University gave the first lecture, which was about Greek music. For the second lecture, Muhlenberg's Art professor, Mr. Calarusso used slides to trace the development of Greek art up to the apex of its expression on the Acropolis. During the second semester Rev. Ziedonis gave a lecture about Plato's view of art, and the members attended a Greek comedy at Cedar Crest College.

The final banquet was at the Allentown Fairgrounds Hotel. The retiring president gave a lecture about Roman mathematics; Dr. Stevens, the advisor, read some of his original poetry; Jeff Burnoski presented a modified version of a Greek comedy.

## EDUCATION SOCIETY

73

With a membership of approximately sixty men and women, the Education Society continued to provide an opportunity for Muhlenberg students in the Education Department to become better acquainted with the teaching profession. Speakers, movies, and panel discussions were utilized throughout the year to attain this goal. Headed by Donald Weaver and a fine staff of officers, the society composed of both prospective elementary and secondary teachers, realized two firsts this year: a booth at the ODK Carnival and revision of its original constitution formulated in 1955, the year in which the society was founded.

The Muhlenberg Christian Association, is interdenominational, yet bound together by a mutual love for Jesus Christ. Throughout the year, it strives to stimulate thought along these lines through its bi-monthly meetings, prayer and Bible study groups, weekend retreats, service and fund raising drives, social activities, dramatic productions; and other endeavors, such as Institute of Faith and the annual art contest. Its sole purpose and sole reason for being is to glorify Jesus Christ and make Him known throughout the campus.

## INSTITUTE OF FAITH

Recent programs of the Institute of Faith have dealt with the problem of the nature of the Church, the relationship between Christianity and the arts, and the adaptation of Christian thought to modern thought forms like existentialism. This year's program considered the problem of Christian ethical conduct in contemporary situations.

Dr. William Lazareth, Professor of Systematic Theology at the Philadelphia Lutheran Seminary, delivered three main addresses under the general title of "*In God(s) We Trust.*" The topics were *War and Peace, Sex and Marriage, Race and Civil Rights.* Dr. Lazareth challenged students to consider whether their actions in these areas witnessed to the God of love, made manifest in Christ Jesus or to false gods, the modern counterparts of Mars, Venus, or Dionysus.

Originally the Institute of Christian Living, this annual activity was organized in 1950 under the combined patronage of the Muhlenberg Christian Association, The Rehrig Lecture Fund, and the Board of Trustees. Its purpose is to bring to the campus each year outstanding theologians to present the relevance of Christian faith to personal life and social issues of the age.

## COLLEGE CHOIR

The Choir is a very active campus organization devoted almost entirely to the singing of sacred music. This year's tour involved travel through New England, where we stopped at Yale University for a brief visit, and sang in the Lutheran church on the campus at Harvard. A television appearance in Springfield provided us with one of the highlights of the tour. Laurel Grove, the Pocono Mountains, and late October were the ingredients for a weekend of hard work and fun; and this year's retreat did its best to continue the tradition.

Other highlights of the year included the Candlelight Service at Christmas and the presentation of Mr. Lenel's opera, *Young Goodman Brown*, with the Allentown Symphony Orchestra. This year's schedule was indeed a full and rewarding one.

Organized to maintain the tradition of glee club singing on campus and to keep the school songs alive, the group provides an outlet for those men who like to sing secular music rather than sacred.

## MARCHING AND CONCERT BAND

Under the capable direction of Albertus L. Meyers, who is nationally famous for his work with the Allentown Band and membership in the band of John Phillip Sousa, the Muhlenberg Band performs as two individual units throughout the year. During the fall the Marching Band participates at the home and away football games by presenting pre-game and half-time shows. After the football season has ended, the Concert Band prepares and presents performances on campus and in the community. Highlights of the past year included new uniforms, the tympani chariot, and a fine group of freshmen musicians.

Der Deutsche Verein is the oldest departmental club on campus. It is a club for those students who are interested in obtaining a greater fluency in German and who are also interested in learning more about the culture of the German peoples. Special efforts are made by all students to use German at the meetings. During the past year, the Verein varied its programs with speakers, film presentations, picnics, and a German table in the Commons. The highlight of the year was the German Christmas party with all of the corresponding foods and drinks. A German Hour was also featured on WMUH for interested listeners and participants.

# DELTA PHI ALPHA

Through the efforts of Dr. Adolph Wegener, Delta Phi Alpha received a charter here at Muhlenberg College less than two years ago. Delta Phi Alpha is not a social organization, as the undergraduate German Club, but an honorary scholastic fraternity.

It seeks to recognize the study of German and to provide an incentive for higher scholarship. The Fraternity aims to promote the study of the German language, literature, and civilization, and endeavors to emphasize those aspects of German life and culture which are of universal value and which contribute to man's eternal search for knowledge.

## PHI SIGMA IOTA

The honorary romance language fraternity, Phi Sigma Iota, was installed in 1928, through the efforts of the past chairman of the department, Dr. Anthony S. Corbiere. Composed of outstanding students, the fraternity meets monthly in order to intelligently discuss various topics and themes dealing with the cultural heritages and traditions of the countries speaking romance languages; as well as the philosophy of life of some of their notable authors, painters, and musicians. The discussions are directed by senior members of the fraternity following the presentation of their ideas in original research papers. Some of the topics of discussion have been: *Chateaus of the Loire Valley*, *Sartre*, *Degas*, *Life in South America*, and *The Historical Aspects of the Reign of Louis Philippe*.

This year the fraternity donated an original painting to the Student Union (which is now on view in the music listening room) in memory of one of the past members of the department, Miss Stewart.

The Muhlenberg chapter of Psi Chi, the national honorary psychology fraternity, was formed several years ago. Since its inception, many innovations have been made with the help of its advisor, Dr. Thomas Lohr. Monthly business meetings are held and during this time research papers are read and questions entertained. Guest speakers are invited to discuss various aspects of psychology.

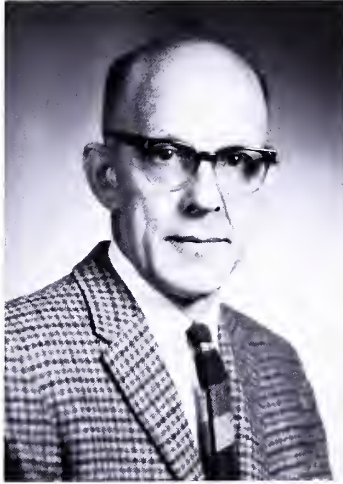

Membership is based upon the individual's interest in psychology, his cumulative average, and a minimum of a 2.5 average in psychology. Psi Chi is dedicated to the advancement of research and study in the field of psychology.

The purpose of the group is to bring interested students into closer contact with the various medical fields.

In order to achieve its purpose, the Society includes in its program guest speakers from medical schools and from the medical professions, discussions with medical students, and the use of illustrative movies. A field trip to a medical school is also planned annually as part of the program. The Society is now under the advisorship of Dr. Charles Mortimer who succeeded Dr. Shankweiler when the latter retired as head of the group last year.

## VARSITY FOOTBALL

Muhlenberg College felt the sting of mighty Middle Atlantic Conference University Division and top college division opponents as the college continued to make the transition away from University Division class football. With a squad that has only six seniors, the inexperienced and sophomore laden Mules posted a 2-7 record. The mules won the last two games of the season, giving them an identical record and an identical finish to the 1961 squad. Successive defeats were handed to Muhlenberg by Lafayette, Albright, Temple, Lebanon Valley, Gettysburg, Bucknell, and Kings College. Bouncing back, the Mules shut out Franklin and Marshall on a rain soaked field, and then traveled to Moravian where they scored a surprising upset. Head Coach Ray Whispell abandoned the widely publicized "Mule Spread" in favor of a "T" formation with a roll out pass pattern. The new strategy began collecting dividends late in the season. Muhlenberg's new athletic policy, announced in the winter of 1961, indicated the college would seek out opponents similar in size and athletic policies. Although the policy took effect immediately, Muhlenberg still had schedule commitments to meet and consequently during 1962, the Mules played four tough University Division opponents. Muhlenberg was scheduled to enter the southern college division in the fall of 1964.

The '62-'63 soccer team, coached by Rudy Amelio, played many of the nation's top soccer teams. Despite its unimpressive 0-10-1 record, the players did well and displayed much spirit. Due to a lack of substitutes many games were lost in the second half—Losses to Lehigh and F & M in which Muhlenberg was leading and losses to Lafayette (1-0), Wilkes (1-0) and Ursinus (4-2). The team however did salvage a (0-0) tie with LaSalle and five players (John Good, Ralph Ardolino, Bill Crouthamel, Sid Weikert, Barry Behnke) made the Middle Atlantic College All-Star Team.

Though six regular starters are leaving, hopes for the next season are reasonably high because of the team's new schedule and many impressive freshman players.

## VARSITY CROSS COUNTRY

*First Row: Alfred Yergey, Captain; William Schmidt, Second Row: Charles Theisen, Coach; Richard Platz, Bruce English, John Trainer Jr., Thomas Dobosh, Abraham Eastwood, Manager. Missing: Thomas Chuss, Frederick Eck.*

The top three men of this year's team were all experienced runners: Tom Chuss and Al Yergey each with three years of college Cross Country, and Bill Schmidt a sophomore flash with an excellent high school record. In top shape, these men were all of equal speed and should have been capable of "bunching" within the top five places against most opponents. Rick Platz and Tom Dobosh, two freshmen, along with Bruce English, a junior transfer student, should have been able to adequately fill in the last two places on the team with one man used as "displacement." This theory did not, however, work for the harriers due to a variety of ills which plagued runners—stitches, tight legs and insufficient practice. As a result, the team fell far short of its potential; and only the Moravian meet ended in victory for the Mules. At this race, however, which was decided by one point, Tom Chuss set a Moravian course record.

## WOMEN'S FIELD HOCKEY

Experienced players, enthusiasm, and a great competitive spirit paved the way to another undefeated season for the Women's Field Hockey team. Under Coach Jean Hecht, the team won five games and achieved one tie. Millersville, a fast and aggressive team with depth, scored a goal in the first half, whereas Muhlenberg bounced back for a goal in the second half to even the score of that memorable contest.

Ruth Smith, the team's only senior, was high scorer, making 18 points from her position as center forward. Barbara Buckholz, a junior playing left inner, was second high with 12 goals. Credit must also be given to the fine play of the halfbacks and fullbacks, as well as the fine efforts of goalie Margie Kleintop, who had many fine saves, allowing the opponents to score only once this year. Jeanne Clark, left halfback, played a fine season with her determined efforts and skillful stickwork.

On the whole the entire team played tremendous hockey. Because of this, not one defeat has been seen by the women in four years of Varsity competition. The great coaching and personality of Jean Hecht has paid off in victory.

## WOMEN'S BASKETBALL

Ending their 1963 season with a 7-3 record, the women's basketball team matched last year's record, the best since the squad's entrance into inter-collegiate competition four years ago. Exceptional teamwork, coupled with outstanding individual performances of seniors Ruth Smith and Janet Smithson, gave the women victories over hard fighting opponents. It was certainly the women who "carried" the basketball for Muhlenberg in '63.

## J. V. BASKETBALL

A scrappy junior varsity basketball squad came through with a 7-13 season. Charles Theisen, former 'Berg basketball star, coached the JV's. Lacking exceptional height, as well as several players who were called up to the varsity by Head Coach Ken Moyer when injuries thinned the varsity ranks, the junior varsity was forced to overcome their handicap by adopting an aggressive style of play.

## VARSITY BASKETBALL

Once again pre-season optimism ran high as the 'Berg cagers prepared to enter what was to be their last year in the University Division of the Middle Atlantic Conference. The pre-season optimism turned into post-season blues as the Mules were only able to register four wins in twenty-one outings, despite a valiant team effort.

The Mules traveled to Bethlehem for the season opener where they suffered a disheartening 72-70 defeat at the hands of a persistent Moravian squad. After losing to newly scheduled Wagner 89-79 at Memorial Hall, Dickinson provided the Cardinal and Grey quintet with their first victory.

The promising future heralded by 'Berg's 2-3 record at years end never was fulfilled because the new year brought thirteen straight losses before coach Ken Moyer's hoopsters were able to capture their illusive third victory, defeating Franklin and Marshall 68-58. After traveling to Easton only to succumb to the Lafayette Leopards 78-52, the Mules bounced back to close the season on a winning note, humbling Lebanon Valley to the tune of 77-68, 'Berg on top.

Hacked in the act.

## VARSITY WRESTLING

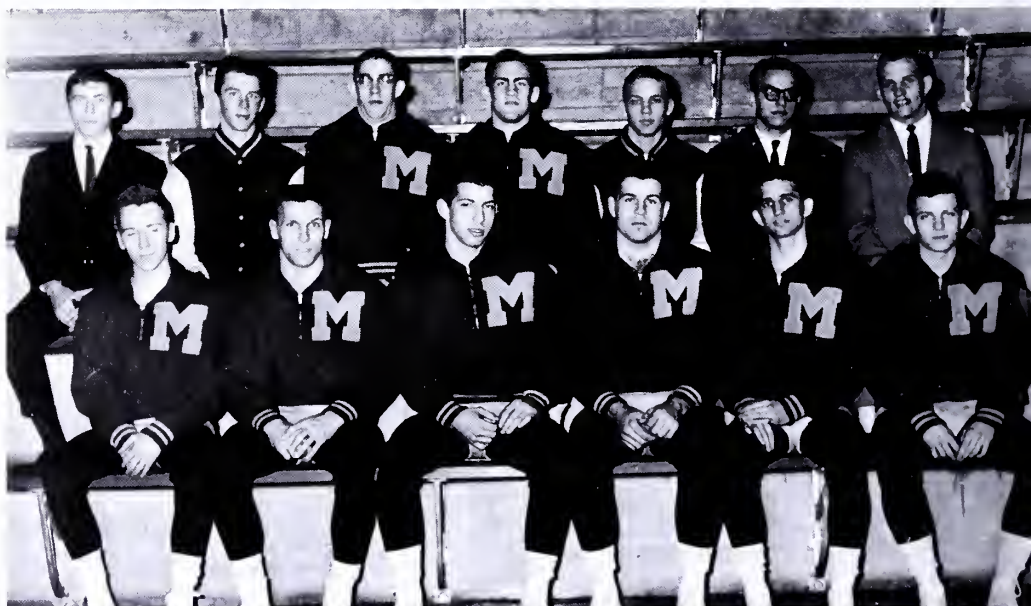

Under the capable and enthusiastic coaching of recent alumnus Charlie Kuntzleman, the Muhlenberg Wrestling Team compiled a respectable Won 5—Lost 5 record. The regular season was highlighted with a convincing 27-5 win over former Mule's wrestling coach, Paul Billy, and his Lafayette team. Senior Bob Martin brought Muhlenberg its first M.A.S.C.A.C. Championship since 1958, winning the 167 lb. title. Finishing fourth in the 147 lb. class was Freshman Lynn Schaeffer. The team will lose only Seniors Martin, Tom Chuss, and Jim Yost. The remainder of the wrestling team was composed of Freshmen and Sophomores, leaving much promise for the future.

## 

Muhlenberg compiled its best won-lost record in five years this season as the baseball team won three games. The victories were over Dickenson and two powerful M.A.C. schools, Bucknell and St. Josephs.

The pitching this year was done mostly by Larry Blum, Tom Bird, and Ralph Ardolino. Freshman Bird picked up two of the victories, while Blum chalked up the other. In addition, Blum and Ardolino were involved in several close one-run ball games which could have gone either way.

Most of the offensive punch this year was supplied by Glenn Steigerwalt, Chuckie Lewis, Bill Stoudt, captain Billy Heller, Dave Binder, and Lynn Rothrock. Rothrock and Steigerwalt sparkled as a D.P. combination while Stoudt led the M.A.C. in assists for an out-fielder. In addition, new-comer John Ponchak supplied tight defensive work behind the plate.

At year's end, Larry Blum and Glenn Steigerwalt were rewarded for their fine play by receiving honorable mention on the All-M.A.C. team. Although coach Joe Federico and assistant coach Ken Moyer will miss graduates Heller, Ponchak and Ardolino, they can certainly expect a better season next year with the amount of talent returning.

*Seated:* John Ponchak, Gene Sansser, Tom Bird, Richard Forliano, Allen Somers, Ralph Ardolino, Larry Blum, Dave Binder, Bill Stoudt, Lynn Rothrock. *Standing:* Ken Moyer, *Asst. coach;* Richard Mowery, *Head Manager;* Craig Heim, Bob Tooker, Mike Capobianco, Billy Heller, *Captain;* Wynne Shisler, Glenn Steigerwalt, Fred Clark, Chuckie Lewis, Joe Federico, *Head Coach;* Bob Smith, *Asst. ## VARSITY TRACK

The track team finished with one of its best records in recent years, 3-4. The team, composed chiefly of lower classmen was led by all time high scorer, junior Dean Lowe. Lowe placed second and third in the 120 high hurdles and the 220 low hurdles respectively at the Middle Atlantic Conference meet. Other leaders were sophomore Ken Butz, who broke the school record in both the shot put and discus, and freshman Charlie Wogenrich who broke the school record in the pole vault and finished third in that event at the MAC meet. There were 15 lettermen on the team and 14 of them will be returning next season, the only senior being Sam Beidleman.

Things are really looking up for the Muhlenberg tennis team. Under the able captainship of Don Schoenly, the netters produced the best tennis season Muhlenberg has seen in twenty years.

In the opener, the Mules defeated a strong Temple contingent, 6-3. This match revealed Berg's potential, for the team ably coached by Ken Webb, went on to beat seven other schools for a smashing record of eight wins, four losses and one tie. The highlight of the year was at Haverford College, when the first three men, after dropping their initial sets, bounced back to win the first three points of the match. Later a fourth was scored to tie this very strong team. This come from behind spirit has been characteristic of the Mule squad throughout the season.

Most valuable player, Morg Brassler, paced the team with his excellent record of ten wins and three losses. Ed Simon, an experienced sophomore, filled the second spot and should prove to be a valuable asset for next year. Freshmen Bruce Edington, Steve Isaacs, and Jeff Henderson performed consistently well and showed considerable potential, as did sophomores Stewart Simens and Steve Smythe.

## WOMEN'S TENNIS

In spite of having their first meet rained out just one game short of victory, and then losing the next, the Women's Tennis Team compiled a winning record by taking four out of their following five matches.

The team under the coaching of Miss Jean Hecht, was inspired by the spirited playing of Ruth Smith who won six of her seven matches, and doubles players Karen Frankenfield and Mary Ann Peters who won five of their six matches.

## VARSITY GOLF

*First Row: David Becker, Walter Focht, David Fyrer. Second Row: Robert DeLong, Michael Weber, Robert Kochron, "Ned" Senger, Coach.*

The Mule golfers closed their season with a 3-6 record this year, improving their 1-1-6 record of the 1962 season. The season began with an impressive win over Lafayette, but the Mules fell victim to LaSalle, Moravian, and Dickinson before evening their record with two consecutive wins over Moravian, on the return match, and Albright. After this comeback, the golfers tumbled before the hands of Lehigh, Scranton, and Wilkes, thus closing out the season. The highlight of the season was the M.A.C. Championship match at Oak Terrace Country Club in Ambler, Pa. There, despite the fact that injuries plagued the squad, the four 'Berg golfers placed 17th in the list of twenty-five schools.

The presidents of each social fraternity on campus comprise the Inter-fraternity Council. It endeavors to promote a mutual understanding and harmony among the various fraternal organizations, and arbitrates problems and difficulties concerning the fraternity system. This year the IFC tried to develop its relations program to a greater degree. "The Fraternity Cycle" was published for the first time to give all freshmen a better look at the fraternity system during rushing. Greek Week was another innovation with the festivities reaching a climax on the IFC weekend with the dance and the fraternity picnic. Trophies were distributed for achievement in scholarship, athletics, and Help Week, the latter has replaced "Hell Week" at Muhlenberg.

## ALPHA TAU OMEGA

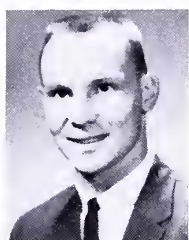

The Pennsylvania Alpha Iota Chapter of Alpha Tau Omega Fraternity, established at Muhlenberg in 1881, is the oldest fraternity on the Muhlenberg campus. The house has an active membership of forty brothers, forming a strong unit worthy of maintaining the present high morale and striving toward the lofty ideals of the fraternity.

This year members of Alpha Iota continued to be leaders in all phases of campus life. Among the high positions held by the brothers were the presidencies of Student Council, Interfraternity Council, Cardinal Key Society, Delta Phi Alpha, and Editor-in-Chief of the *Weekly*; plus, representation on most all other campus organizations. More than twenty varsity letters were granted to brothers participating in sports ranging from football to tennis. In the area of interfraternity sports, Alpha Iota copped the laurels in soccer, cross country, track, tennis, and baseball, thus winning enough points to easily win the I.F.C. All-Sports Trophy, in addition to the Greek Week Trophy, in a hands down fashion.

The social calendar of 1962-63 was very successful. A hillbilly theme at Christmas Weekend and a gala Junior Prom Weekend highlighted the social year. To the nineteen graduating brothers, active membership in Alpha Tau Omega has been a rewarding and unforgettable experience.

## Muhlenberg College

### PHI EPSILON PI

124

The Alpha Nu Chapter of the Phi Epsilon Pi Fraternity at Muhlenberg College has just completed a banner year. Under the dynamic leadership of Superior Kenneth Maurer, we had one of our most successful years since the Chapter was founded thirty-one years ago.

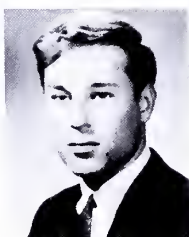

In the area of academic endeavor Phi Ep again led all the other fraternities on campus, as our fraternity was awarded the Scholarship trophy for the ninth consecutive semester, and the eighteenth out of the last nineteen semesters. The brothers of Phi Ep amassed a cumulative average of almost three out of a possible four. Alpha Nu Chapter was prominent in the area of extra-curricular activities. The editorship of the *Ciarla*, three representatives on the Student Council, and two members of ODK were just a few of the positions held by Phi Ep's.

Alpha Nu Chapter was well represented in the athletic field. We participated in all intra-mural activities, and there were Phi Ep's on the tennis, football and basketball teams.

Socially 1963 marked a year of exuberant and highly successful events. There were three parties during Junior Prom weekend with three different bands performing. The festivities of I.F.C. weekend were culminated by the appearance of Lee Andrews and the Hearts. In all, Phi Epsilon Pi reached new heights as a fraternity in 1963 and with the promise of a new addition to our house, we are most optimistic about the years to come.

## SIGMA PHI EPSILON

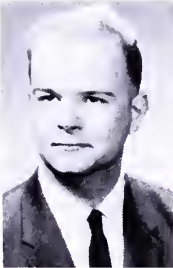

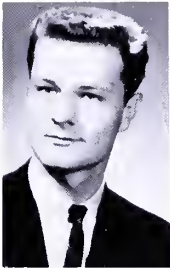

The Pennsylvania Iota Chapter of Sigma Phi Epsilon celebrated its twenty-fifth anniversary this year with a gala banquet for its Actives and Alumni.

Highlighting this affair were inspiring speeches from our National Chapter and Alumni Organization, as well as our annual Spring Weekend. Sig Ep has an active Brotherhood of forty-eight men, all working toward the goals upon which the fraternity was founded.

Sigma Phi Epsilon places emphasis on scholarship, participation in campus activities, a well-rounded social life, as well as the development of the character of each individual Brother in an atmosphere of fellowship. A scholarship program has been instituted to bring about the maximum academic achievement of each of its Brothers. The Chapter is represented on campus with its members on Student Council and the Student Union Board. Brothers have been elected to class offices, participate in Choir and Band, and work with the national honorary societies. The Social Calendar has included an active Homecoming Weekend and a very enjoyable Junior Prom Houseparty to initiate a successful rushing period.

A growing and dynamic Brotherhood at Sig Ep looks forward to the coming year and an even greater Chapter at Muhlenberg.

Eta chapter of Phi Kappa Tau has enjoyed one of its most successful and rewarding years. The fraternity was well represented in all phases of campus activity, including three men on Student Council, the Chief Justice of the Student Court, and various sports participation. In intramural sports, the fraternity won the I.F.C. trophy in intramural football, and in other competition also won the I.F.C. trophy for Homecoming Decorations. Other highlights of the past year have included the third annual parents' day held in the fall, a Christmas party given for some of the children from the Sacred Heart Home, and a spring semester pledge class of twenty-eight men who are worthy of maintaining and providing even more impetus to fraternity and campus activity. Also, the past year has looked toward the future with definite plans in progress for a new four room addition to be finished by the beginning of the fall semester.

The social calendar of the fraternity was highlighted by such events as a Wild West theme for Homecoming Weekend, a Roaring Twenties party for Junior Prom, and a party in Davey Jones' Locker for I.F.C. Spring Weekend saw the crowning of our second Phi Tau Sweetheart and climaxed the year's social activities.

In all, Eta has had a year of growth and accomplishment which has, and will in the future, add to the experience of fraternity life.

# TAU KAPPA EPSILON

Zeta Eta chapter of Tau Kappa Epsilon became a member of the largest national fraternity on January 10, 1958. Teke *practices* non-sectarianism and embraces the ideals of true fraternalism in basing its membership on "personal worth and character" rather than on race or religion.

Teke tries to show these principles in all phases of campus life. The fraters are active in varsity athletics, the choir, WMUH, the *Weekly*, and the Cardinal Key society, to name but a few. For the fifth time in the past six years, the Tekes walked away with top prize in the annual Interfraternity council Spring Sing. We also had the most individual weight champions in the I.F.C. wrestling competitions.

The plans have been drawn, and groundbreaking for our new house took place on June 8, 1963, for occupancy in November of the next fall semester. All this is being done to accommodate our increasing brotherhood.

Socially, Teke had another good year. The Homecoming party, Junior Prom weekend, the joint party with Moravian Teke, I.F.C. weekend, and the ever popular Pocono weekend will long be remembered. Pretty Ruth Ann Faltinosky was chosen as this year's Teke sweetheart.

## LAMBDA CHI ALPHA

Lambda Chi Alpha was installed at Muhlenberg on October 12, 1940, through the merger of Theta Kappa Nu, Delta Theta, and Philos Alumni groups. Since that time, Nu-Epsilon has become a leader in many phases of campus life.

Again this year Lambda Chi has won the Intramural All-Sports trophy, and also won intramural softball, I.F.C. wrestling, and basketball. Lambda Chi was represented on every varsity sport, and provided the Captains for football, basketball, wrestling, golf, baseball and soccer.

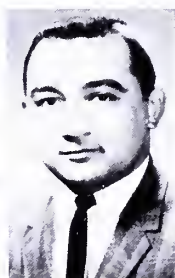

In other campus activities, Brothers of Lambda Chi were on Student Court, Student Council, Freshmen Orientation Committee, Alphi Phi Omega, WMUH, Choir, Glee Club, Band, and the Veterans Club.

As usual, Lambda Chi was the social spot of the campus, with a bigger and better party each weekend.

Next year promises to be another outstanding year for Lambda Chi, when old friendships will be renewed, and new friendships will be made.

## ... with the addition of the J. CONRAD SEEGER'S COLLEGE UNION

Named to honor the seventh president of Muhlenberg College, the J. Conrad Seegers Union stands appropriately as a memorial to the significant contributions made to the college by its president emeritus.

The word *Union* implies an organization. When used on the Campus, as in *the College Union*, the term signifies an organization, a program and a building. The organization is composed of students, faculty, administration, staff, alumni and guests. The program, which is run by student committees, provides cultural, social and recreational opportunities for the campus community. The building is the physical instrument for implementing the objectives of the organization and for facilitating a community life.

The J. Conrad Seegers Union—"a unifying force in the life of the college, cultivating enduring regard for and loyalty to the College."

## UNION BOARD OF DIRECTORS

*At Left: Richard Will, Edwin Hoffman, Mr. David Seamans, Director; Carol Taylor, Secretary; Richard Lunger, President; Nancy Gaebler, Fred Haverly, Treasurer; Robert Milligan. Missing: Barbara Gum, Jeanne Maraz.*

The Union Board of Directors, in its first full year of existence, was faced with the dual task of providing student activities prior to the opening of an actual union building and then occupying the new structure in January with subsequent opening and dedication ceremonies. Programming throughout the year included movies, art exhibits, dances, coffee hours, musical concerts, fashion shows, and various tournaments. Although the Board must be considered as having presented a worthwhile slate of activities, its members realized that the possible resources at its disposal are barely tapped.

Muhlenberg College is in a state of flux. The board of trustees and the administration have taken strides this past year toward the realization of what has been termed the *Ten Year Plan*. This is a comprehensive program designed to provide the college with the physical means to cater to the great tide of prospective students whose demands are ever growing beyond the college's present capabilities. The 1962-63 academic year was witness to the completion of the initial phase of this development—the J. Conrad Seegers College Union. The physical renovation has been attended by a far-sighted and capable direction, so essential to the efficient utilization of the new facilities. Communication between the factions of student and faculty-administrative interests has been more effective, resulting in changes of policy—academic and otherwise—which generally can be said to reflect the true complexion of our college community. Through the legitimate channels of the student publications and political representation, the student body has been able to voice its opinion on such crucial matters as academic standards, social regulations, fiscal apportionment, and athletic policy. True, the voice is small and sometimes falls upon deaf ears, but the fact remains that the enlightened student demands an active role in determining his own direction. And Muhlenberg College is meeting this challenge.

Indeed, the *Ciarla* too is in a state of flux. The 1963 edition is not a culmination of any long trend, nor does it seek to forge ahead in any radically new direction. Rather, it is a continuation of a metamorphosis which is as old as the publication itself. The 1963 *Ciarla* is more photographically reportorial than it is a literary account of the academic year. This is not mere chance, for editorial policy is firmly founded upon the grounds that a good *candid* picture is worth many, many words. We trust that after leafing through your copy for the first time, you too are convinced of this. We have gone to great expense to provide you with as candid a self-portrait as possible, and it is our sincere wish that our efforts meet with your approval.

Not only does the *Ciarla* serve as an easy reference for the students and faculty, but it acts as our most involved and comprehensive piece of literature—an advertisement for the college, in fact. There is always a tendency, therefore, for one in my position to attempt, at least, to lavish a yearbook with nothing but the complimentary and flattering events which draw credit to our institution. And if by chance we happen upon a year for which such editorializing does not appreciably betray the principles of good journalism, then, I think, we can all indulge in some well deserved back-slapping. The past year has been just such a year.
